**The Solemnity of the Most Holy Body and Blood of Jesus Christ
(Corpus Christi) Sunday, June 3, 2018**

Today we celebrate the great gift that Jesus left us before ascending to his Father, the gift of his real abiding presence, and of his body and blood that we are invited to consume during the celebration of the Eucharist. What more could our God give to us? What more could we ask of our God?

Whenever we eat and drink, we are transformed. Most food is good for our body; it feeds our mind and enlivens our spirits. In fact, we feel better after we have eaten a good meal; we are full, satisfied and energized.

Unexplainable food for life, the holy bread and wine fill us though we do not know how. Relying on our faith to believe that the true presence of our God makes his home in our body, heart and soul, we come back again and again for more of this holy food. We have been invited to come, from here and from there, to eat and to drink, as one in Christ.

On this great Feast of the Body and Blood of Christ, we gather not to explain how this mystery happens, but to fall on our knees in profound adoration, to celebrate with deep joy that God is truly present to each one of us.

The Church's Witness of Brotherly Love

When a person truly knows Jesus Christ and believes in him, that person experiences his presence in life as well as the power of his resurrection, and cannot but communicate this experience. And if this person meets with misunderstanding or adversity, he behaves like Jesus in his passion: he answers with love and with the power of the truth.

... Let us ask for the help of Mary Most Holy so that the Church throughout the world may proclaim the resurrection of the Lord with candor and courage and give credible witness to it with signs of brotherly love. Brotherly love is the closest testimony we can give that Jesus is alive with us, that Jesus is risen.
